**Independent Auditors' Report to the Shareholders of BASIC Bank Limited****Report on the Audit of the Financial Statements****Qualified Opinion**

We have audited the financial statements of BASIC Bank Limited (the Bank), which comprise the balance sheet as at 31 December 2019 and profit and loss account, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements give a true and fair view of the financial position of the Bank as at 31 December 2019, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS) as explained in note 2.1.

**Basis for Qualified Opinion**

The Bank has provided us a list of 60(sixty) loan clients/accounts files of the Bank of its Gulshan, Shantinagar, Dilkusha, Babubazar, Main Branch of Dhaka and Agrabad branch of Chittagong. Most of the said loans and advances of the Bank were sanctioned and disbursed/renewed during the period from 2010-2014 without complying with relevant policies, procedures of the Bank, the rules and regulations of the Bangladesh Bank, etc.. All those loans and advances became bad/loss and an investigation on those loan clients/accounts files is going on. In the interest of said investigation, the Bank has informed us that all those files containing original documents, records, instruments, etc. were seized and taken by the Anti-Corruption Commission, Bangladesh. As a result, we could not audit the original documents, records, instruments of collateral securities relating to those 60 (Sixty) loan clients/accounts files amounting to BDT 31,973,288,000 as on 31 December 2019.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), Bangladesh Bank, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Emphasis of matter**

We draw attention to the following matters disclosed in the financial statements. Our opinion, however, is not qualified in respect of those matters.

- Note 14.3 to the financial statements which describes the risk-weighted assets and capital ratios as defined in Basel Capital Accord which shows that the Bank has failed to maintain required capital.
- Notes 7, 7.7, 13.1 and 34 to the financial statements which describe the total loans and advances and provision thereon.

These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Our assessed key audit matters and how we addressed those matters are outlined below:

**Valuation of treasury bills and treasury bond**

Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note no 6.1.1 and 6.1.2 to the financial statements

**Impairment assessment of unquoted investments**

In the absence of a quoted price in an active market, the fair value of unquoted shares and bonds, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect unobservable market data and hence require an elevated level of judgment.

We have assessed the processes and controls put in place by the Company to ensure all major investment decisions are undertaken through a proper due diligence process

We tested a sample of investments valuation as at 31 December 2019 and compared our results to the recorded value.

Finally, we assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

See note no 6.2 to the financial statements

**Measurement of deferred tax assets**

The Bank reported net deferred tax assets totaling BDT 689 million (2018: BDT 588 million) as at 31 December 2019. Significant judgment is required in relation to measurement of deferred tax assets as their recoverability is dependent on foreseeable of future probably over a number of years as referred in note 36 to the financial statements

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Bank's key controls over the recognition and measurement of deferred tax assets and assumption used in estimating Bank's taxable income.

We also assessed the completeness and accuracy of the data used for estimation of future taxable income. Finally, we assessed the appropriateness and presentation of disclosures against IAS 12-Income Tax.

See note 36 to the financial statements

**IT systems and controls**

Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

Our areas of audit focus included user access management, developer access to the production environment and changes to the IT environment. These are key to ensuring IT dependent and application-based controls are operating effectively

We tested the design and operating effectiveness of the Bank's IT access controls over the information systems that are critical to financial reporting.

We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.

We tested the Bank's periodic review of access rights and reviewed requests of changes to systems for appropriate approval and authorization.

We considered the control environment relating to various interfaces, configuration and other application layer controls identified as key to our audit.

### Reporting on Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual report other than the financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is material misstatement therein, we are required to request management and those charged with governance to correct the material misstatement.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation for the financial statements of the Bank in accordance with International Financial Reporting Standards (IFRSs) as explained in note 2.1 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act 1991 and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh bank on instances of fraud and forgeries.

In preparing the financial statements, Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Bank's financial reporting process.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Bank to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Bank audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Basis of preparation**

**2.1 Statement of compliance**

The financial statements of the Bank are prepared in accordance with International Financial Reporting Standards (IFRS) and the requirements of the Bank Companies Act 1991 (amended 2013), the rules and regulations issued by Bangladesh Bank and the Companies Act 1994. In case any requirement of the Bank Companies Act 1991, and provisions and circulars issued by Bangladesh Bank differ with those of IFRS, the requirements of the Bank Companies Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail. Material departures from the requirements of IFRS are as follows:

**i) Investment in shares and securities**

**IFRS:** As per requirements of IAS 39 investment in shares and securities generally falls either under "at fair value through profit and loss account" or under "available for sale" where any change in the fair value (as measured in accordance with IFRS 13) at the year-end is taken to profit and loss account or revaluation reserve respectively.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 25 June 2003 investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise investments are recognised at cost.

**ii) Revaluation gains/losses on Government securities**

**IFRS:** As per requirement of IAS 39 where securities will fall under the category of Held for Trading (HFT), any change in the fair value of held for trading assets is recognised through profit and loss account. Securities designated as Held to Maturity (HTM) are measured at amortised cost method and interest income is recognised through the profit and loss account.

**Bangladesh Bank:** HFT securities are revalued on the basis of marked to market at every week end and at year end. Any gains on revaluation of securities which have not matured as at the balance sheet date are recognised in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortisation of discount are recognised in the profit and loss account. HTM securities which have not matured as at the balance sheet date are amortised at the year end and gains or losses on amortisation are recognised in other reserve as a part of equity.

iii) **Provision on loans and advances/investments**

**IFRS:** As per IAS 39 an entity should start the impairment assessment by considering whether objective evidence of impairment exists for financial assets that are individually significant. For financial assets that are not individually significant, the assessment can be performed on an individual or collective (portfolio) basis.

**Bangladesh Bank:** As per BRPD Circular No. 14 (23 September 2012), BRPD Circular No. 19 (27 December 2012), BRPD Circular No. 05 (29 May 2013) and BRPD Circular No. 16 (18 November 2014) a general provision at 0.25% to 5% under different categories of unclassified loans (good/standard loans) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard loans, doubtful loans and bad losses has to be provided at 5%, 20%, 50% and 100% respectively for loans and advances depending on the duration of overdue. Again as per BRPD circular no. 10 dated 18 September 2007 and BRPD circular no. 14 dated 23 September 2012, a general provision at 1% is required to be provided for all off-balance sheet exposures. Such provision policies are not specifically in line with those prescribed by IAS 39.

**Bangladesh Bank:** As per BRPD circular no. 14 dated 23 September 2012, once a loan is classified, interest on such loans are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an interest suspense account, which is presented as liability in the balance sheet.

a) As per the requirement of the Income Tax Ordinance, 1984, income tax has to be paid @42.50% on operating profit, or @0.60% on total income of the Bank, whichever is higher. In 2015, the Bank could not make any operating profit. In that case, income tax has to be paid on total income of the Bank. In 2015, total income of the Bank was Tk. 1151,49,64,237. At the time of preparation of financial statements for the year 2015 minimum tax rate was @ 0.30% of total income of the Bank. As per Bank's calculation, total tax liability of the Bank was Tk. 3,45,44,893/- (Tk. 1151,49,64,237\*0.30%) and accordingly provision was made for current tax. Later on, minimum tax rate has been changed from 0.30% to 0.60% of total income of the Bank by the tax authority. As a result, total tax liability of the Bank has increased from Tk. 3,45,44,893/- to Tk. 6,90,89,785/- (Tk. 1151,49,64,237\*0.60%). However, the Bank was required to pay Tk. 5,18,17,339/- (Tk. 6,90,89,785\*75%) as 75% advance income tax for the income year 2015 but the Bank had paid Tk. 4,21,00,699 as source deduction. In this way, advance tax payment of the Bank felt short by an amount of Tk. 97,16,640/- (Tk. 5,18,17,339-4,21,00,699) due to change of tax rate by the income tax authority. Tax authority has imposed simple interest @10% for two years on this shortfall amount, which is Tk. 19,43,328/- (97,16,640\*10%\*2). In this way, total tax liability of the Bank for the year 2015 stands at Tk. 7,10,33,113/- (Tk. 6,90,89,785+19,43,328) but inadvertently, the Bank made a provision of Tk. 3,45,44,893/- only at the time of preparation of financial statements for the year 2015. As a result, provision for current tax for the year 2015 felt short by an amount of Tk. 3,64,88,220/- (Tk. 7,10,33,113-3,45,44,893) which is now provided in 2019.

b) As per the requirement of the Income Tax Ordinance, 1984, income tax has to be paid @42.50% on operating profit, or @0.60% on total income of the Bank, whichever is higher. In 2016, the Bank made operating profit of Tk. 9,08,46,832 on which the Bank made provision for current tax @42.50% by an amount of Tk. 3,86,09,904/- (Tk. 9,08,46,832\*42.50%). On the other hand, in 2016, total income of the Bank was Tk. 1193,24,07,624/- on which turnover tax was Tk. 7,15,94,446/- (Tk. 1193,24,07,624\*0.60%). That is, for the income year 2016, tax liability of the Bank was Tk. 7,15,94,446/- (Tk. 3,86,09,904 or Tk. 7,15,94,446, whichever is higher). But inadvertently, the Bank made a provision of Tk. 3,86,09,904/- at the time of preparation of financial statements for the year 2016. As a result, provision for current tax for the year 2016 felt short by an amount of Tk. 3,29,84,542/- (Tk. 7,15,94,446-3,86,09,904) which is now provided in 2019.

The external auditor has covered over 80% of the risk-weighted assets and have spent around 4,500 man hours to complete the audit as per requirement of Bangladesh Bank. The external auditor has audited 35 branches and Head Office of the Bank.

**41. Events after the Reporting Period****COVID-19 Pandemic**

Subsequent to year-end, on 11 March 2020, World Health Organization (WHO) declared a global pandemic due to Corona Virus related respiratory disease commonly called as COVID-19. To contain the spread of this disease, along with many other countries of the world, Government of Bangladesh has also taken a number of measures such as declaration of general holiday, enforcement of lock down, social distancing etc. As a result of these measures all business and economic activities are adversely affected which would also impact the Bank. Management as considered COVID 19 as subsequent event and in accordance with IAS 10 has concluded that this is a non-adjusting event (i.e. an event after the reporting period that is indicative of a condition that arose after the end of the reporting period) because the significant changes in business activities and economic conditions as a result of COVID 19 events took place well after the reporting date of 31 December 2019. Although the business operation and profitability of the Bank are impacted due to COVID 19, but as the situation is constantly changing and there is no certainty at present as to how long the situation will prevail, the potential impact of COVID 19 related matters on the Bank's operation and financial results cannot be reasonably assessed."
